I attended the 911 Operations Board meeting on June 9th.

The department received "Crises Intervention Training" on June 12th and 15th. The training dealt specifically with dealing with the mentally ill when they are in crises. Dealing with anyone in crises is dangerous but if the person suffers with mental illness it magnifies the danger, which is why this type of training is so important.

On the 16th the department had firearms range training. We qualified with our duty, off duty and back-up handguns.

On June 17th Officer Casey Meling attended training. The title of the class was "Verbal Excellence – Winning with Words". A few of the topics covered were how to use words to persuade people, avoiding toxic talk, de-escalation and defusing through verbal communication and verbal tools to build cooperation.

The "Beach Run" was held on the 20th. This year we had an unfortunate incident where one of the participants was hit by the passenger mirror of a vehicle during the event. Thankfully there were no injuries and the driver was cautioned to be more careful.

From June 22nd – June 26th Officer Tim Mortenson attended "First Level Supervision" training. This training is intended to take line officers and teach them the basic skills of how to supervise other officers. In the next two years I intend to send Jeff Cutting and Casey Meling to this same training as well.

Officer Mike Parker attended training on the 24th. The course title was "Investigating Child Sexual Abuse". Some of the topics covered were sex offender profiles, interview techniques, child interviewing and DNA collection. No officer wants to investigate these types of crimes but as they say "it comes with the badge".

Officer Casey Meling attended a class titled "Computer Seizure and on Scene Preview Computer Certification for Child Pornography". The class was held on June 25th. The class dealt with the current best practices for seizure of a computer and for on scene examinations of computers where it is suspected that child porn is on the computer.

I received two thank you notes in June. One was for Officer Casey Meling for helping a lady who had fallen and the other was for Officer Mike Parker for assisting with a trespass issue. I have attached copies of the notes. We can be thankful that the department has such dedicated public servants.
